

CAMPING RESERVATIONS FOR POLK COUNTY FAIR

- Junior Division animal exhibitors/families will have the 1st priority in receiving a campsite.
- Space is limited – each site is about 12 feet in width – therefore each “campsite” is allowed 1 additional vehicle per spot. Additional vehicles may be parked in the fair general parking area.
- NO dogs or other pets are allowed on grounds during the fair.
- NO generators may be run during the fair.
- Must be mindful of power usage while camping. A/C usage is discouraged while your camper is not occupied.
- Camping units may not leave Fair Park until after 6 p.m. on Sunday to allow for livestock load out.
- Camping fees for full week of fair: Power hookup: \$150.00 – Non-power: \$40.00
- Camping reservations must be **postmarked between May 15 – June 16**. If received prior to that they will be returned to sender.
- There are a limited number of electric campsites in the fair park – **applications are on a first-in/first issue basis**. Once all permits have been issued, we put the extra applications on a waiting list.
- Camping permit and vehicle pass will be handed out on-site on Wednesday of fair week. You may also pick these up in the Administration Building.
